

# Linfinity (Dynamic 3D Scene Graphs)

[Download Scene Composer & Viewer \(Windows Installer\)](#)

[Download Source Code](#)

---

An [article](#) explaining the implementation can be found on [gamedev.net](#).

---

## Video Demonstration

---

## Screenshots

A more complicated scene with solar systems, planets, cities and people. New galaxies can be found in the eyes of the people.

---

An adaptation of the classic fern fractal within this dynamic scene graph system.

---

Sierpinski's Gasket in 3D.
